EDUCATION

Shanghai Jiao Tong University *Sept 2012 - June 2016*
B.S. in Computer Science & Electronic Engineering
Member of IEEE pilot class
Member of Institute of Wireless Communication and Technology (IWCT)
Overall GPA: 3.7 / 4.3

AWARDS

National Encouragement Scholarship	Pan Wenyuan Scholarship
Fan Xuji Scholarship for two sessions	Jin Qingyang Encouragement Scholarship
Excellent Student of SJTU	Excellent League Member of SJTU

ACADEMIC EXPERIENCE

Academic Research June 2014 - Present
Wireless Communication
· Intelligent Transportation: High-accuracy gps assisted by phone-embedded sensors
· View sharing, spatial Mobile crowd sensing

Academic Activities 2012 - 2015
Developer
· Awarded the third prize of the fifth pro-face Man-machine interface programming contest 2012
· National Chiao Tung University 2014 Summer academic exchange camp
· 2014 Google Girls Hackathon Party awarded first prize
· The 7th Creative Activity Plan for Shanghai University Students – CityDrive: A Map-Generating and Speed-Optimizing Driving System
· Certificate of Computer Information Technology Testing

Work Internship October 2014 - Present
Designer & Developer
· Dallas cooperation project between IWCT & ERICSSON, developing an Ericsson load testing tool software

Team Project Sept 2012 - Present
Group Member
· Chinese Segmentation Program with Python in Fall 2012
· Mole Attack Android game development & Ball games Team Molding Android Application
· Basic Multimedia Search Engine with Python by Hadoop
· Labs of CPU with FPGA, Operating system with Linux Kernel, Communication system with USRP

STUDENT ACTIVITY

Student Organization Sept 2012 - Sept 2014
Director / Secretary
· Director of Organization Department of Community Committee in SEIEE
· Member of the student union of SEIEE & Young Volunteer team of SJTU during the freshman year
· Member of College Women Basketball Team / Xizhou Guqin Society / Student Choir of SJTU
·

Extracurricular Activity Sept 2012 - Sept 2014
Volunteer
· Volunteer in Shanghai Railway Station, Freshman welcoming procedure, Wujing Social Environment-friendly publicity, Shanghai International Marathon and Shanghai Science and Technology Museum. Blood donation

TECHNICAL STRENGTHS

Computer Languages	C++, Python, JAVA, Erlang, Perl, UML, LabVIEW, Matlab
Protocols & APIs	XML, 3GGP
Databases	MySQL
